

## Introduction to Bone Grafting Techniques:

Date: May 10, 2024

Cost: \$400

CE Hours: 8

Presenter: Dr. Joseph A. Favia is a 1993 final graduate of Loyola University School of Dentistry. He has been teaching basic and advanced implant surgical procedures internationally to general dentists since 2007. He founded The Midwest Dental Institute after many requests from doctors wanting more courses presented by him. He has been providing dental surgical procedures to his patients since 2003. Dr. Favia has been providing CAD/CAM dentistry to his patients since 2002. He has spoken at the 2018 and 2020 Chicago Mid-Winter Meetings. He shows doctors how to easily integrate technology during the planning, surgical and restorative phases of dental implants. Dr. Favia is a Key Opinion Leader for multiple dental companies. Dr. Joe lives and maintains a private practice in Arlington Heights, IL with his wife and three children.

Course Description: During this course, Dr. Favia will discuss bone grafting techniques around simple socket grafting, ridge augmentation as well as advanced sinus lifts. He will discuss the specific products to utilize depending on the technique and how to implement them into your daily practice with great success.
